To: All Customers Using the RXM-GPS-x4 SiRF-4 family of products

Re: End of Life Notice

Dear customer,

Linx Technologies is announcing the End of Life transition of the SiRF-4 family of products.

Due to limited market availability of key components and low demand, the SiRF-4 family of GPS products is no longer supported. Please contact Linx for other GPS and GNSS solutions, such as the MediaTek family RXM-GPS-xM and RXM-GNSS-xM modules, which is the recommended alternative to the SiRF-4 family.

This end-of-life notice affects the following Linx products:

- RXM-GPS-R4      EVM- GPS-R4      MDEV- GPS-R4
- RXM-GPS-F4      EVM- GPS-F4      MDEV- GPS-F4

Please contact Linx Sales or Customer Service for further details related to this notice.

## **End of Life for SiRF-4 Family Products**
