To: All customers using the RXM-315-KH3, RXM-418-KH3 or RXM-433-KH3

Re: Product Change Notice

Dear customer,

Linx Technologies is announcing a change to the KH3 Series receivers. The modules will now be shipped without the plastic lids. The lid was mostly cosmetic, so there is no change to performance or operation of the module. There is a part on the board to support pick-and-place machines.

We are committed to working closely with our customers during the transition to address any questions or concerns.

# Product Change Notice for RXM-315-KH3, RXM-418-KH3, RXM-433-KH3

PCN #: LPCN-150306-2

Publish Date: March 6, 2015

## Type of Change

Modules will now be shipped without lids.

## Products Affected

RXM-315-KH3

RXM-418-KH3

RXM-433-KH3

## Description of Change

The original modules were shipped with plastic lids that held the part number and helped keep the RF circuitry free of debris. The new modules will be shipped without this plastic lid. The lid served primarily cosmetic purposes so will not have any impact on performance.

Figure 1: Original Module

Figure 2: New Module

## Reason for Change

Simplify manufacturing and reduce component lead times.

## Effect of Change

Form: New modules do not have a plastic lid.

Fit: No change

Function: No change

Quality: No change

## Anticipated First Ship Date

Spring 2015

## Qualification Data

Qualification plan specifics are not for general release. Please contact Linx directly for additional information or assistance.

## Last Time Buy Date

No formal last time buy date is established.
