To: All customers using RXM-GPS-SG and RXM-GPS-SR GPS Receiver Modules

Re: End of life notice

Dear customer,

Linx Technologies is discontinuing production of the SiRF-III GPS Modules.

To replace the SiRF-III GPS Receiver Module Linx recommends using the SiRF-IV GPS Receiver Modules (RXM-GPS-F4 and RXM-GPS-R4). For most applications, the SiRF-IV GPS Receiver Modules perform as well or better than the SiRF-III GPS devices.

We will continue to supply product to customers as stock allows, and to work closely existing customers to ensure their migration to the SiRF-IV GPS Receiver Modules goes smoothly. Please contact Linx if you have questions, concerns or would like more information.

End of Life Notice for RXM-GPS-SG and RXM-GPS-SR GPS Receiver Module

PCN #: LEOL-141021-1

Publish Date: October 21, 2014

Type of Change

End of life

Products Affected

- RXM-GPS-SG-T
- RXM-GPS-SG-B
- RXM-GPS-SR-T
- RXM-GPS-SR-B

Description of Change

End of life notice for the above mentioned SiRF-III GPS Receiver Module products.

Reason for Change

SiRF StarIII based modules not recommended for new designs

Effect of Change

Production on the above noted products will cease. We will continue to supply products to customers as stock allows. Parts may be scheduled for delivery up to six months after the last time buy date on a non-cancellable, non-refundable basis, depending on availability. The parts are not recommended for new designs.

Anticipated Last Ship Date
