Re: Not Recommended for New Design Notice

Dear customer,

Linx Technologies is announcing the NT family of products are not recommended for new designs (NRND).

NRND notification affects the following Linx products:

- TRM-868-NT
- TRM-900-NT

Please contact Linx Sales or Customer Service for further details related to this notice.

Not Recommended for New Design for NT Family Products

PCN #: LNRND190201-1

Publish Date: February 1, 2019

Type of Change

Not Recommended for New Design

Products Affected

TRM-868-NT

TRM-900-NT

Description of Change

The NT family of products is not recommended for new designs. Linx will continue to support existing applications as key component availability allows.

Reason for Change

Product rationalization and key component lifecycle change.
