To: All customers using the 916 MHz CHP Antenna

Re: Product change notice

Dear customer,

Linx Technologies is announcing a change to the CHP family of antennas. The change is in the base material color of the antenna. No dimensional or electrical changes were made in the device. The electrical performance of the device is unaffected.

We are committed to working closely with our customers regarding this change. Please contact Linx Sales or Customer Service should you have any questions or concerns.

Product Change Notice for ANT-916-CHP-x

PCN #: LPCN-130524-2

Publish Date: May 24, 2013

Type of Change

Change in product color

Products Affected

- ANT-916-CHP-B
- ANT-916-CHP-T

Description of Change

Change in the material color of the antenna

Reason for Change

Source material availability

Effect of Change

Form: See Figure 1 below

Fit: No change

Function: No change

Figure 1: Form – Yellow Material

Anticipated First Ship Date

June 2013

Qualification Data

VSWR performance remains similar, representative sample data is shown in the following table and graph.

Sample #	Center Frequency (MHz)
	916
1	1.27
2	1.49
3	1.61
4	1.41
5	1.29
Average	1.41

Last Time Buy Date

No formal last time buy date is established.
