Re: Product Change Notice

Dear customer,

Linx Technologies is announcing a change in manufacturing location for the CONSMA002-L and CONREVSMA002-L. Product from an additional manufacturing location will join the existing product offering.

The product from the additional manufacturing location is mechanically identical to, and offers equivalent electrical performance, as the product from the current manufacturing location. The additional manufacturing location reduces supply chain impacts on raw material availability and cost.

We are committed to working closely with our customers during the transition to address any questions or concerns.
