Re: Product change notice

Dear customer,

Linx Technologies is announcing a change in manufacturing location for the CONSMA002. Product from the new manufacturing location will replace the existing product offering.

The new product is mechanically identical to, and offers equivalent electrical performance, as the product from the current manufacturing location. The new manufacturing location eliminates supply chain impacts on product costs.

We are committed to working closely with our customers during the transition to address any questions or concerns. Materials from the existing manufacturing location will still be available under new part numbers.
